

Design Internship

At Gould Evans, we believe partnership is about the expression of individual talents brought together through a shared vision. We seek employees and clients who share our values of intellectual curiosity, collaboration and passion for meaningful design outcomes.

Our portfolio is intentionally diverse – in project type, scale and location - to encourage innovative, critical thinking and discourages a formulaic approach. Above all, we work to create transformative, engaging and sustainable solutions that support our client' missions.

Currently, we have more than 160 associates across our Phoenix, San Francisco, Kansas City, Lawrence and New Orleans studios.

We are looking for candidates that are energetic, talented, and open to adventure to support our collaborative studios for summer 2019.

Responsibilities consist of a wide range of roles including, but not limited to assistance with; programming, design, illustration, construction documents, presentation drawings, shop drawing coordination, and administrative support.

We're seeking candidates that;

- are pursuing a degree in architecture from an NAAB accredited program or a degree in interior architecture or design program
- are proficient with AutoCAD, Revit, Sketch up, Excel, and Power Point at a minimum
- have skills in Rhino, Photoshop, 3Ds Max, InDesign, and Illustrator – these are a plus
- demonstrate diverse skills in the communication of 2D and 3D ideas, via hand sketches, digital means, models, and otherwise
- are able to communicate effectively both verbally and in writing, and demonstrate strong organizational skills

If this sounds like you, please submit your resume, cover letter and an [electronic portfolio](#) to HR@gouldevans.com. Please, no calls about this position.
